MISSION

The Salolampi Foundation is committed to sustaining the Finnish language and culture. We provide scholarships and program support to Salolampi Finnish Language Village, enhancing and expanding villagers' knowledge of and passion for Finnish language and culture.

VISION

To transform minds, provide global perspectives, and keep Finnish culture relevant and alive for all generations.

Mission + Vision Statement

The Salolampi Foundation is a 501(c)(3) non-profit corporate entity under Minnesota Statutes and has been established and operated exclusively for charitable and educational purposes.

PRESIDENT'S STATEMENT

Dear Salolampi Foundation Friends,

As our communities continue to grapple with the impacts of COVID -19, we are hopeful that we can finally see the light at the end of the tunnel and a return to a more normal life of friends, family and community is on the horizon. I want to take this opportunity to say thank you. Thanks to the dedication of our volunteers, donors, board members, family and friends, we can look back on the past year with pride at our accomplishments. Without your support, the work of the Salolampi Foundation would not be possible.

Throughout all of the challenges of the last year, Salolampi remained Salolampi; and the Salolampi Foundation continued to provide scholarship and volunteer support that was critical to the village's continued growth. Villagers returned to the site in Summer 2021 and while the pandemic restricted enrollment, the core mission of "creating global citizens" continued to be the bedrock of the experience, connecting villagers to Finland and each other.

At Salolampi Foundation, we continued many of the initiatives we began 2 years ago. These have resulted in better financial controls, more transparency about our activities, and more focused and efficient governance. This year, we are renewing our focus on improved engagement with our supporters and the Finnish community at large. We are reviewing our communication methods and exploring opportunities for community-building beyond the physical Salolampi site. All these changes have been made with a long-term goal of increasing access to Salolampi to all, by raising much-needed scholarship funds and growing our endowment.

We are already making strides thanks to you, our donors and volunteers. In another challenging financial year, you stepped up to help even when it was personally difficult. For that we are immensely grateful.

So we begin 2022 with hope, optimism and determination, and we invite you to join us as we move forward.

MARK KELLAHER
President, Salolampi Foundation

MESSAGE FROM OUR DEAN

Salolampi is thriving in unusual times. 2020 offered us the opportunity to turn our talk of virtual Salolampi into reality, while 2021 allowed us to reimagine Salolampi both as residential and virtual experiences.

This year, we returned to our idyllic setting on Turtle River Lake with protocols, masks, and safety expectations, while embracing immersion interaction and community building, our foundational cornerstones. We gathered in smaller groups and felt the safe environment create a bubble of trust around us. While this may seem lofty or dreamy, our work is to empower and inspire courageous global citizens through the Salolampi Finnish Language Village, and this summer we observed our villagers taking time to learn about themselves and others while considering their impact on the world.

Our staff team worked intentionally to seek healthy ways for villagers to lean into social-emotional skills and experiences to process life as we know it now, and to feel empowered to lead others upon their departure. We proved that all of this can be done while speaking Finnish, playing Finnish games, and taking sauna.

Sometimes it takes years for us to reflect on the learning that happens in the Village. Sometimes the timeline is far shorter. Salolampi villagers and staff from these past couple of years have encouraged us to engage in a process of continuous learning and application to achieve an ideal immersion experience. When we get it right, we find our participants wanting more Salolampi. From all of our teams, **thank you for your time and investment.**

When the lives of adults are in chaos, the lives of children can also be deeply confusing. And everyone is someone's child. This processing takes time, space, and energy. It has been an honor to observe young people lean into the discomfort during this time and emerge stronger and lovelier. Our world is heading in a good way.

HISTORY OF THE FOUNDATION

Once a seemingly impossible dream, Salolampi Finnish Language Village became the magical place we know and love because determined people like you stepped forward.

As the first Salolampi sessions were held at rented campsites, then at Concordia Language Village's dedicated site on Turtle River Lake, the Foundation began fundraising for scholarships, embracing the Finnish belief that anyone who wanted to attend Salolampi should be able to do so.

The Salolampi sauna, the heart of the Finnish home, was the first building to go up, even before ground was broken in 1990. Salolampi volunteers got to work erecting cabins shipped from Finland and soon Jyringin Talo, Salolampi's signature main building, began to take shape. Designed by Jerry Jyring and made possible by his transformative gift to the Salolampi Foundation, Jyringin Talo is modeled on the Jyväskylä railway station and is immediately recognizable as a small piece of Finland in Minnesota.

Salolampi has continued to grow since, with an ever-increasing number of villagers of every generation attending each year. Words such as rantasauna, nuotio, luontopolku, kioski, and mökki enter every villager's vocabulary, while Finnish foods and Finnish songs soon become familiar and well-loved.

The Salolampi Foundation has been proud to support this work for more than forty years. We extend a heartfelt thank you to the founders and to all who have contributed support and talent to this remarkable place.

We plan to achieve more great things together.

2021 ACCOMPLISHMENTS

- Salolampi Foundation scholarships made it possible for a new cohort of villagers to return to Salolampi for the first time since 2019.
- Better financial controls allow us to predict scholarship spending in the future and increase our fundraising efforts to meet those needs.
- Increased coordination with Concordia Language Villages to ensure the best experience for village families.

Focus Areas

FUNDRAISING HIGHLIGHTS

Last year, we shared with you that two of our 2021 Fundraising Goals were the following:

- Increase Fall Scholarship Appeal participation rates, and
- Improve online giving interface to make donating easier and more convenient

We are pleased to announce our success in meeting these goals:

- The number of Phone-a-thon donors is growing, and we raised \$38,492 in 2021, up from \$36,759 in 2020 and \$33,002 in 2019.
- One-quarter (1/4) of donations are now received online. The Salolampi Foundation encourages people to donate online whenever possible, due to the ease of gift processing.

Other 2021 fundraising highlights include the following:

- The Foundation has a very loyal donor base with 63% donor retention, compared to the 45% national average across non-profits.
- While the Foundation connected with new donors throughout pandemic, it also experienced an expected COVID drop-off.
- 2021 was the second year the Foundation conducted an end of year appeal, which raised \$1,500 in two days (up from \$1,200 in 2020)
- The donation page on the Salolampi Foundation website has been re-designed. Visit <https://www.salolampi.org/support-us/>.

In 2022, our fundraising goals are to:

- Sustain increased levels of scholarship donations,
- Secure additional program support from private grant funding,
- Continue to encourage online giving,
- Connect with new donors and volunteers, especially our alumni villagers and their parents, and
- Re-launch the Salolampi Heritage Society planned giving program

2021 VOLUNTEERS

Salolampi Foundation has no staff and runs entirely on the power of our volunteers, who give their time and effort in support of our mission. We are especially grateful to our volunteer board of directors, our phone-a-thon callers, and our work weekend volunteers, who keep Salolampi beautiful.
